

Pubcast - Privacy Considered

Tuesday, 20 October 2009

Ritasha Jethva is the head of Information Privacy at one of the South African Banks. In the first Pubcast produced by Helaine, the team went to Ritasha's offices to discuss the impending Protection of Personal Information Act, and how a large bank has to address the issue.

This is a Pubcast of firsts. Helaine Leggat produces her first episode, recorded and edited using new equipment. And the team discusses the hottest issue in South African Information Risk today: the impending Protection of Personal Information Act.

If you're a South African bank this legislation is a big issue: we went to one of the major banks to interview Ritasha Jevtha, their Head of Information Privacy on how they have chosen to address it, the relationship to information Classification, and just how long all of this is likely to take.
