

Pubcast: When APTs go Mainstream

Sunday, 18 September 2011

RSA has recently released a paper entitled: "When Advanced Persistent Threats Go Mainstream". found at http://whitepapers.businessweek.com/detail/RES/1313174437_249.html

Or download it here

Uri Rivner from RSA was coincidentally in the country, and we took the opportunity to go discuss the report with him. Kris Budnik from PWC joined me in the discussion.
