

Pubcast: B-Sides Cape Town

Wednesday, 23 November 2011

At last an Information Security community-driven conference is coming to Cape Town.

Initiated by Pieter Blaauw, B-Sides is a free conference aimed at providing locals with the opportunity to both present and hear local research and experiences.

Furthermore, Sensepost is supporting this initiative by providing a prize for significant Information Security Research emanating from South Africa.

Pieter and Marco Slaviero discussed the objectives with Tony
