

Pubcast: SACSAA teaching children about cyber threats

Monday, 03 June 2013

SACSAA (The South African Cyber Security Academic Alliance) is an academic alliance between UNISA, UJ and the Nelson Mandela Metropolitan University to campaign for the effective delivery of Cyber Security Awareness throughout South Africa to all groupings of the population.

Professor Kritzinger and Doctor Loock came to the Pubcast booth at the 2013 ITWeb Security Summit to discuss their work.
